Disclaimer: The National Association of Boards of Pharmacy® (NABP®) generated this Activity Transcript (Transcript) or Compliance Report (Report) from NABP's systems. The Transcript or Report contains information provided to NABP from the Accreditation Council for Pharmacy Education (ACPE) and, if applicable, information from you, the non-ACPE course participant (Participant). The Transcript or Report can be used as proof of CPE credit for ACPE-accredited CPE. The ACPE provider is responsible for the accuracy of the ACPE course data and Participant is responsible for the accuracy of the non-ACPE course data on this Transcript or Report. Requests for changes to ACPE activity data must be directed to the ACPE-accredited provider that offered the activity. You are responsible for verifying that this Transcript or Report accurately reflects all continuing pharmacy education you participated in, whether ACPE-accredited or not. CPE Monitor Plus is unable to track CPE hours or CPE completion for specialty licenses, including without limitation, pharmacist-in-charge and immunizer licenses; you are responsible for tracking CPE hours for specialty licenses. If there is a discrepancy between this Transcript or Report and the data contained in the NABP systems or your records, please contact the NABP CPE Monitor Team at cpemonitor@nabp.pharmacy. **Boards of pharmacy, not NABP, determine CPE compliance.** Participant attested that any non-ACPE course data submitted to NABP is true and correct, that Participant complied with the NABP Terms of Use, and accepts full responsibility for all information submitted to NABP and the accuracy of their Transcript or Report.
